

Herron Point

Conditions of Stay & Amenity Details

Herron Point Campground is a nature-based camp situated along the white sandy shoreline of the Harvey Estuary, offering families, travellers, locals and pets a relaxing place to camp.

Length of Stay

Campers are allowed to stay for a maximum of 5 nights in any 21-day period.

Fees

- \$22.00 (GST Inclusive) per site, per night.
- The maximum number of persons per site is capped at four adults and four children under 16 years.

Important Information

- Arrival time is from 2:00pm. Departure time is by 10:00am.
- The Herron Point Campground site speed limit is 8km per hour.
- No drinking water is available at Herron Point. Campers are required to bring sufficient drinking water for the duration of their stay.
- The central amenities block has flushing toilets, running cold (non-drinkable) water and sufficient solar powered lighting at night. Please note there are no shower facilities at Herron Point.
- Please do not wash sand, crabs or fish down the drains at any of the Herron Point campground amenities as this creates blockages to the septic system.
- Caravan or RV sullage must not be disposed of in the Campground toilets. The chemicals are harmful to the bacteria necessary for the sewage treatment.
- The nearest caravan dump point is on Pinjarra-Williams Road in Pinjarra, approximately a 20-minute drive (one-way), just south of Fimmel Lane (opposite the Premier Hotel).
- There is a basic communal bush shelter located centrally in the campground.
- Being a bush camp, there is no onsite power at Herron Point, generators are welcome between 8:00am and 8:00pm.
- Campers are required to ensure that their vehicles, caravan, campers or tents remain within their allocated campsite area. No solar panels, guy ropes or awnings shall protrude outside of the marked areas.
- Consideration should always be given to safe access and egress of personnel and vehicles in the event of emergencies. If there is not enough room to safely accommodate a vehicle within the designated campsite (or allocated car parking bays) the vehicle must be parked outside the campground.
- Visitors' vehicles are not permitted within the Campground and must only be parked outside the Campground.

- Solid Fuel camp fires are prohibited between 1 October and 15 May. Outside these dates, use of onsite firepits is permitted.

- Fully encapsulated gas appliances may be used throughout the year except on days of a Total Fire Ban or unless otherwise directed by local Rangers/Bush Fire Control Officers.
 - During periods of extreme fire risk conditions, a Total Fire Ban could be declared. Please adhere to any local Fire Ban Notifications and follow any DFES advice on fire bans.
 - Please bring your own firewood. Firewood is not to be collected from the adjacent bushland due to environmental impact reasons.
 - If you are unsure, please check with the Rangers/Bush Fire Control Officers if campfires are permitted or not. Contact 08 9531 7777.
- Please put your rubbish in the skip bins located in the Campground. The Campground also has a can collection facility from which any proceeds go back into the maintenance of the Campground.
- A boat ramp facility for small vessels is available for visitors and the general public. Please ensure that your fishing and crabbing meet the current limits.
- Campers and any guests are required to reduce noise after 10:00pm as a courtesy to others.
- Well behaved dogs are welcome at Herron Point but are required to be contained to your camp site, otherwise must be restrained on a leash. 1080 baits are placed in adjacent bushland and are fatal to dogs.
- Herron Point Campground sits along the eastern shoreline of the Harvey Estuary amongst wetlands. It is advised that visitors bring mosquito repellent/protection.
- Lake Clifton Caravan Park offers campers a basic hot shower for \$5/person. (Location: Old Coast Rd, Lake Clifton, Contact Number: 08 9739 1255)
